Norfolk ERSA 19th June 2011 Fathers Day (for some)

It rained a little, the sun came out, it was windy, it was Fathers Day and still nearly 150 racers arrived ready to do battle. Steve Saunders & Craig Wright set a 'quite easy course' (Craig's words) which even so, seemed to catch quite a few out. Thankfully there were no major accidents that I know of and fine performances were put in by all.

Some Father's had to wait for their gifts until they got home as everyone else was asleep when they left! But having received Chocolate, cards and a couple of books in the morning I was ready as I'll ever be for the drive to Norfolk.

For a while as a few racers skied out and the sky darkened the atmosphere was slightly subdued. Then Welwyn started shouting, promptly followed by the Vikings. But where have all the cow bells gone?

For the team racers all the managers were sent to the top to avoid any more problems this season, though Norfolk seemed determined to take all the trophies.

Team Evolution Bursary winners for the Hemel camp were Alex Lillywhite and William Feneley well done to them. TJ Baldwin represented Evolution and presented all the awards, medal and trophies.

Who ever had this number is the lucky winner of a pair of Level gloves. If you haven't already claimed your prize send Evolution a photo or a scan, along with your contact details to: info@teamevolution.eu to get your hands on your Level Gloves!

A well run race, which with the complicated structure of Hemel this weekend will probably be seen as light training!

Well done everyone!

Walking to a another trophy?
